RE: AG36486 Chlorantraniliprole Technical (95.3%) Cas# 500008-45-7 R&D sample material

The above mentioned material is being imported for Research and Development Purposes Only to determine its value for pesticide purposes or to determine its toxicity or other properties and no benefit of pest control is expected to result.

The intent of this material will be for analytical analysis for quality purposes of its Active Ingredient and stability of formulation and application ability of it.

The material is being delivered to Aceto C/O InterAtlas Logistics, 320 Elizabeth Avenue, Newark, New Jersey 07112 and then will subsequently be moved to its final destination for analysis purposes.

Any leftover stock of material will be properly disposed in accordance of all applicable regulations and not find its way into the channels of commercial trade. The label above this addendum is the true label for this Research and Development Material.
